

ISO 27001 Management Commitment

In line with the requirements of the ISO27001 Information Security Management System standard, Expertron and Doxit Management hereby confirm that we are committed to:

- Ensuring that the information security objectives are compatible with the strategic direction of the organisation;
- Ensuring that the integration of the ISMS requirements into the organisation's processes;
- Ensuring that the resources needed for the ISMS are available;
- Satisfying applicable requirements related to information security; and to
- Continually improving the information security management system.
